Over dit project
Amsterdam Alternative is een gezamenlijk project van Amsterdamse panden waarin muziek, film, dans, theater en andere kunst wordt geprogrammeerd maar waar ook wordt gewoond en/of gewerkt. We zijn non-profit, experimenteel, internationaal, sociaal, tolerant en creatief. Onze gratis twee maandelijksse krant en website zijn bedoeld voor iedereen die geïnteresseerd is in het publieke programma van de deelnemende organisaties maar ook de achtergrondartikelen over en van de subcultuur, kunstenaars, muzikanten en schrijvers die werken, wonen of optreden in de betreffende panden.

Tweetalig
De basis van de krant is in het engels maar onze artikelen worden geschreven in het Nederlands of Engels. De keuze van de taal wordt gemaakt door de schrijver/afzender. We hebben het budget en de middelen niet om alles tweetalig af te drukken dus vandaar de keus om het op deze manier te doen. Excuus aan degenen die een van de talen niet kan lezen.

Bijdragen?
Wil jij graag bijdragen aan dit alternatief? Heel graag! We zijn als groep vrijwilligers altijd op zoek naar extra handen en hersens om stukken te schrijven, adverteerders te zoeken, de krant te distribueren en andere taken uit te voeren. Vele handen maken licht werk en hoe meer kunstenaars, schrijvers, denkers en muzikanten hun gedachten met ons willen delen hoe beter. •

INFO (ENG)

Vision/mission
Amsterdam Alternative is a joint project realised by independent Amsterdam venues, places where music, dance, theatre and art is created, experienced and presented. We are non-profit, experimental, international, social, tolerant and creative. Our free bi-monthly newspaper and accompanying website are designed for everyone interested in the programming of the participating organisations. The newspaper will also provide information on the backgrounds of the artists, musicians, writers and sub-cultures that contribute to their local underground scenes; it will also provide insight on the independent venues in which such people live work and play.

Bi-lingual
The main language of the newspaper will be English however there will also be articles and features written in Dutch; the language/s used will depend on the author. Unfortunately we have yet to realise the budget which will allow us to present each article in both languages; please accept our apologies for any inconvenience caused by this.

Contribute?
Would you like to contribute to this project? We would love to hear from you! We are a group of volunteers always on the lookout for extra hands and brains to help us with articles, suitable advertising/marketing partners, distributors and other tasks and needs that might arise. Many hands make light work! The more artists, writers, thinkers, musicians that share their ideas with us the better.

NEWS AND MUSIC FROM THE OTHER SIDE

GAUDEAMUS MUZIEKWEEK 2016

Gaudeamus Muziekweek 2016 | September 7-11 | Tivoliivredenburg, and other venues in Utrecht | Tickets available on our website muziekweek.nl

"Gaudeamus presents, organizes, promotes, and supports the newest music by pioneering talent. Gaudeamus has been an advocate of trailblazing composers around the world for 70 years. It facilitates the development of new work and a stage where tomorrow's music is performed to an appreciative audience of music lovers. Gaudeamus is an unmissable part of the current international (new) music scene. The annual Gaudeamus Muziekweek festival has been held in Utrecht since 2011. It is the international meeting place for young composers and musical pioneers. The festival culminates in the presentation of the Gaudeamus Award, an incentive prize for composers under 30. International editions of Gaudeamus Muziekweek are making waves around the world. In January 2012, the very first Gaudeamus Muziekweek New York took place while in April 2014, Gaudeamus Canada was staged in Toronto and Montreal." Our full programme is quite extensive and can be found on our website: www.muziekweek.nl/en/programme-overview/

Saturday Night Live | September 10, 2016 | 19:00 - 23:50 | Tivoliivredenburg
The most exciting part of the festival this year is our "Saturday Night Live" program that takes place on the (you guessed it) Saturday night of our festival, September 10th. This evening features a huge mix of new music in many genres: Electro- Acoustic, Post Pop, Egyptian Contemporary, Experimental Jazz, Art Rock, Improvisation, Sound Installations, Post Retro, and others. SNL is a free form and casual evening in Tivoliivredenburg where concert goers are encouraged to move between different concerts, sound installations, and artistic spaces with beer and wine in hand. Some of the most anticipated performers include cellist Oliver Coates, Kapok, a collaboration between Oerknal and De Beren Gieren, and Gunnar Gunnsteinsson. The one Saturday Night Live ticket will grant you access to any of the 14 separate concerts and 4 installations that are to take place. This is sure to be a beautiful, interesting, and thought-provoking night. Find out more on the Gaudeamus Muziekweek website: www.muziekweek.nl/en/programma/saturday-night-live/

Notable Artists:

Oliver Coates is a cellist, composer and producer based in London. In the past year he has performed solo shows in China, Russia, Brazil, Egypt and Australia, and made his New York debut at Le Poisson Rouge. He was the winner of the Royal Philharmonic Society Young Artist Award and is an Artist in Residence at the Southbank Centre. He has released records on Prah Recordings and Slip, and collaborates with the London Contemporary Orchestra, Jonny Greenwood (on The Master and There Will Be Blood), Mica Levi (on Under the Skin) and the visual artist Lawrence Lek (on the award-winning video piece Unreal Estate). With Lek, he has recently presented the world premiere of a new work, QE3, at Glasgow International. His new LP, Upstepping, was released on Prah in May, and he has programmed the Southbank Centre's DEEP MINIMALISM festival taking place in June. In the autumn he will release a collaborative record with Mica Levi on Slip/Warp. Website: www.olivercoates.com

Kapok is one of the most recognizable young bands on the Dutch music scene today. The band is known for their rhythmic fireworks and infectious interaction, and for the fierce, unpredictable energy of their live shows. Kapok borrows from many different kinds of music, including funk rock, classical music, free improv and African music – a collection of influences that might sound unlikely, but flows together quite naturally in their music. The first thing you notice about Kapok is the unusual instrumentation. There is no bass, Remco Menting's drum kit is one of a kind, and Timon Koomen conjures up colourful sound worlds on his guitar. You might know the French horn as an instrument from the classical tradition, but in the hands of Morris Kliphuis this is quickly forgotten. Kliphuis, one of the few jazz hornists in the world, sings, growls and grooves on his instrument as if it was made for jazz. Onstage, the band interprets every song anew, which means no two concerts are ever alike. Since their first encounter in the recording studio in 2011, which led to their debut album Flatlands, Kapok has played at many festivals and concert halls in The Netherlands, including twice at the North Sea Jazz Festival. The band also performs internationally, and won the Dutch Jazz Competition in 2012, the European Jazz Competition in 2013, and received an Edison, the Dutch equivalent of a Grammy, for their second album Kapok in 2014. Kapok would like to take many more people with them on their musical trip. They've only just set off. Website: www.kapokmusic.com

De Beren Gieren worden beschouwd als de avontuurlijkste muziekgroep in de Benelux. Sinds hun op-richting in 2009 hebben ze geen moment stilgezeten. Hun tweede album a raveling(2013) zorgde voor de internationale doorbraak en The Detour Fish, een live-opname met de Portugese trompettiste Susana Santos Silva, werd eind 2014 als uitgebracht op het toonaangevende platenlabel Clean Feed en overall lovend ontvangen. In 2015 speelden ze op Jazz Middelheim en verscheen ook hun derde trio album One Mirrors Many. Zowel in België als internationaal wordt de CD positief onthaald. Jazzism prees het album zelfs als meest invloedrijke en actuele album van het moment, dus dat beloofd. ("Dit is het trio op zijn best, met gedetailleerd spel, een meeslepende piano, forse rockachtige injecties, verstilling en een fikse climax." – De Standaard) Naast hun innige samenwerking met Susana, speelden De Beren Gieren samen met andere internationale grootheden als Jan Klare, Jean-Yves Evrard, Ernst Reijseger, Joachim Badenhorst, Marc Ribot en Louis Schlavis. De muzikwereld gelooft in De Beren Gieren. Zo traden ze al op in Duitsland, Portugal, Frankrijk, Noorwegen, Zwitserland, Luxemburg, Oostenrijk, Frankrijk, Italië, Spanje, Hongarije, Roemenië, Slovenië, Estland en Marokko en waren te gast op grote festivals als North Sea Jazz, Trondheim Jazzfest, Middelheim en Ljubljana Jazz en internationale showcase-festivals als 12 Points en Jazzahead! Bremen. Ze waren Artist in Residence van het Gentse Kunstencentrum Vooruit en ontvingen drie prijzen op Jazz Hoellaart, waaronder de hoofdprijs. Hun groepsnaam klinkt inmiddels tot ver voorbij de Belgische landsgrenzen. Benieuwd waar de Beren in de toekomst nog op zullen jagen. Website: www.deberengieren.be

Oerknal! is a collective of young professional musicians based in The Netherlands. We are united by a passion for new creative experiences and the belief that music should be presented in an intense, visceral manner. We engage in cross-disciplinary collaborations, looking for new and unique artistic overlaps. We eschew traditional concert hall etiquette and perform in non-traditional venues (galleries, jazz clubs, reclaimed spaces), experimenting with new models of concert presentation. Most importantly, we are committed to new music. Music with a modern sense and a contemporary sensibility that belongs to, is a product of, and was written for no other time than the present. We find any barrier between performer (us) and audience (you) uninteresting and unsustainable. We hope to break down barriers and present music in a way that makes you more involved in the process. We want to connect with you directly and openly, creating an intimate, informal environment optimal for intense musical experiences. We view each performance as an experiment, an attempt to discover something new, something exciting, something meaningful – discovery for discovery's sake, for the thrill of immediate, unabashed experience. We promise thought-provoking, engaging experiences; artistic happenings of the highest level. Website: www.oerknal.org/#about-us/cjg9 They are also one of Gaudeamus Muziekweek's Ensembles-in-residence.

FREE FRINGE FESTIVAL AMSTERDAM A BEACON IN THE DARKNESS OF CORPO- RATE MEDIOCRITY!

By Quentin Threadbare

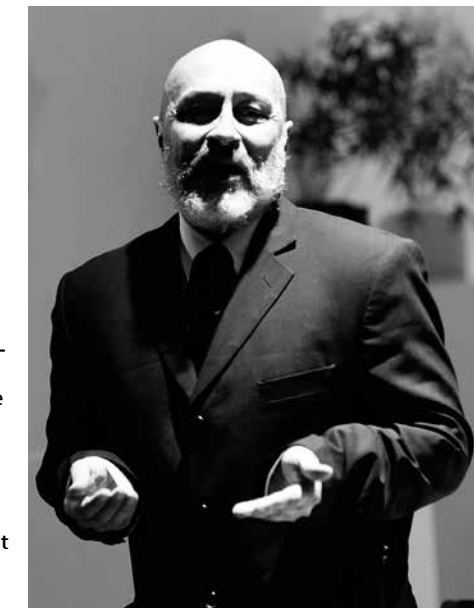

'Every year it's a steep climb but it's worth it for the view,' says one of the festival diehards. A mountain of organisation goes into making it happen but for the fifth year running, Free Fringe Festival Amsterdam will present fuckloads of free fun and entertainment in the heart of our beloved city. The Free Fringe Festival Amsterdam is an extraordinary annual ten day celebration showcasing the very best of Amsterdam's Underground Arts & Performance. This year's festival (1-11 September) features participating artists who do sterling work in Amsterdam all year round as well as artists visiting from overseas. We have animated films from important emerging Japanese animators and from teenagers in New York. Musicians, actors and visual artists will all be strutting their funky stuff at Amsterdam venues citywide. There'll be improv, gaming and video game inspired art. Sin Sin Collective will present a Kamishibai storytelling and exhibit graphic art and posters. In the dance programme, we are proud to be presenting work by extraordinary Italian Choreographer Elisa Zuppini as well as site specific music-and-dance improvisation by Electra Kikk and guitar player Arvind Ganga. All events during the festival are absolutely free to attend. Spread the word.

AN INTERVIEW WITH ROBERTO BACCHILEGA AT ASTAROTHEATRO

AstaroTheatro is a tiny but perfectly formed venue in De Wallen, ideal for readings, acoustic music and small intimate theatrical presentations, home of a monthly open podium and a meeting place for a wide community of artists and performers

'This year, AstaroTheatro will be a Free Fringe venue for the 4th year running – it's a long term love affair with no crisis in sight. The philosophy of this festival perfectly matches with AstaroTheatro: alternative, experimental, non-commercial and truly free: a reaction to the cultural status quo. At our intimate free space for everybody, we try to keep the true spirit of theatre alive, theatre being an endangered species in Amsterdam these days. We're looking forward to this year with renewed enthusiasm.'

AstaroTheatro collective is preparing a new play by Zbigniew Maciak for this year's festival. 'Proteus' is inspired by a lost satyr play by Aeschylus which was performed in 458 BC together with 'The Oresteia'. The play is a satirical take on war and the unsuccessful desire to escape it. An international cast of actors from Uruguay, Turkey and Italy are directed by Zbigniew Maciak: Roberto Bacchilega, Juan Carlos Tajés, Roberto Genta, Elephtheria Vakaki, Arif Murat Gür and Kamel Mobach.

THE VENUES

Along with AstaroTheatro, many other venues featured in Amsterdam Alternative are helping to make Free Fringe Festival Amsterdam their festival. AA has done valuable work giving a focus and coherence to the disparate collection of independent artists and venues working in Amsterdam. Now, if you want to know what's going on in the alternative scene in Amsterdam, all you have to do is open the pages of AA to be in the know.

As in previous years, De Vondelbunker 'schuikelder voor onafhankelijke cultuur' is ground zero and inspiration model for the festival. Badhuis Theater is a new Free Fringe venue and will be hosting a debate about Art Money and The Master Culture: 'broekzak – vestzak' financiën. Why do we need an Alternative Fringe? This seminar will prise open the debate on the nature and future of Fringe and present showcase performances and screenings within its hallowed sugar walls. De Nieuwe Anita Olga & Jeroen's house of par-TAY, ever evolving, always open to experimentation, will be hosting improv and more. Nieuwlands, Spinhuis & De Vinse School will all be taking part this year. De Vinse School is a culturally active new school which opened its doors in Haarlemmerstraat less than a year ago and will host a young people's art programme. Those of you who visited Vondelbunker during Free Fringe last year will definitely have noticed an enormous inflatable

Improv Comedy at De Nieuwe Anita A cast of extraordinary professional improv players and clowns will be joining forces in this amazing comedy-show with a twist. No souls more tormented than those of the ones that are supposed to make us laugh; clowns and comedians. Come have a look inside as they expose their inner selves using your suggestions. Is this supposed to be funny? FUNNY?! OF COURSE! LAUGH?! WE WILL MAKE YOU! All improvised, of course. Starring: Ton Haas, Joost van der Knaap, Ad-Just Bouwman, Mathieu van den Berk, Joscha de Boever et al.

See You at The Hellfire Club A regular highlight of festivals past has always been The Hellfire Club. It's a great opportunity for festival artists and audience to party together in a pan-media cabaret night with multiple short acts, movies, drinks and dancing.

MUSIC MUSIC MUSIC

This year, the music line-up is intensely varied. For those who like it noisy, there will be a night at De Vondelbunker co-programmed by SOTU & Losse Flodders whose core members will be warming up for their Organized Chaos Tour of Russia and the Baltic in September. Straight after Free Fringe they'll be off to Warsaw, Kiev, St Petersburg, Moscow and, slightly incongruously, Leeds! We have a splendid spoken word artist and musician Izabella Finch with her otherworldly ukulele playing. She'll be bringing it in her hilariously honest and riveting show "An Evening with a Red Haired Goddess Named Finch". Virtuoso NYC Street Musician, gHSTS n GUITARS is coming to play some mellow licks, Steekvlieg, an all-girl rock band, Relavec an amazing duo combining techno with live percussion & visuals, and (here comes the inevitable list) the magnificent Kutwijf, Rene Paes and his prehistoric jaws harp, De Grote Boodschap from Arnhem, funny and visual Dutch performers Het Rudie Kartel, Exit Sombrero, brilliant whiskey-soaked-story-telling Ukrainian musician Sasha Boole, The Doppelgangers, Waltris, singer songwriter Maartje Teussink, Aquatronixx, Weeah and more, more more.

FAY'S FILM FESTIVAL

In 2015 Fay's Film Festival programmed our film and animation content, created by some of the hottest Japanese and Korean artists today. Many of these rare gems were never before screened outside of Japan. The programme included the European premiere of "Track", a technically innovative Japanese animation which, a year later, went on to win the Grand Prix at Holland Animation Festival. Building on the great success of last year, Fay's Film Festival will again create a Dutch-Japanese exchange by presenting European premieres of emerging Japanese animation in Amsterdam as well as presenting Japanese premieres of European animations in Osaka, Japan.

SEND US YOUR SHORTS!

Fay's Film Festival Amsterdam & Japan is open for proposals until August 1st 2016! We accept films from all over the world of every genre and style. ADVERTEREN = DONEREN

Amsterdam Alternative is niet van plan om een krant vol advertenties te worden maar om een gratis krant mogelijk te maken zijn er inkomsten nodig. We proberen hier zo zorgvuldig mogelijk mee om te gaan en zullen geen advertenties van grote commerciële merken plaatsen. We zijn op zoek naar organisaties, merken, labels etc. die passen bij onze visie en doelgroep. Ben jij geïnteresseerd om te adverteren in Amsterdam Alternative, neem dan contact op met: adverteren@amsterdamalternative.nl

ADVERTISING = DONATE

It is not our plan to have a newspaper full of adverts however a freely distributed newspaper must have an income. It is our policy to be careful and not to host adverts from major brands, instead we are looking for partner organisations, brands, labels that share our vision and passion for the underground, non-commercial scenes alive in our city. Los Crudos was an influential Chicago-based Latino hardcore band. They paved the way for later Spanish-speaking punk bands and helped to increase the presence of Latinos in a predominantly white subculture. They have been described as "one of '90s punk's truly great bands" and one of the greatest hardcore bands of the '90s (um, I mean, ever). Kennedy describes them as "very popular in both the 'crusty' and Emo/straight edge scenes in North America."

Costumes: Giorgi Rossi

The Shadow of a Gunman will be performed by our own in-house theatre group. A group of international people, all native English speakers. Sean O'Casey, the great Irish playwright, wrote about the Irish Civil War. Of great historical value, but the themes that come across in O'Casey's plays are also very up-to-date. Independence, freedom, poverty, civil war. Think about the war in Ukraine and in Syria. The people that are most affected by the war, are also the most forgotten.

STREET ART

According to Fatima Leeuwenberg

To me this contains art in public spaces, something made by men, which stands out and amuses or intrigues me. The possibilities of street art seem endless. And I want to capture those and share with people. I started over 10 years ago photographing street art with the camera on my phone.

The area around Amsterdam Centraal has undergone lots of changes. The bridge with a view in the top photo will soon be demolished and is worth visiting before it goes. The little oasis at the end is named Oosterdokstuin and is a great initiative. On the other side of the IJ, not far from the IJplein ferry, you can find this interesting piece by Pipsqueak-washere called Sad Bear. The child appears down, which troubles me. The bear seems to relate to the child and that makes me feel better. More art and a cool view can be seen on that street if you take the opportunity.

Je vindt hier planken als Underground Literatuur, Gender/Queer en Dierenrechten. Het Fort is in 1975 gekraakt en in 2003 door het collectief aangekocht met massale steun van vrienden en sympathisanten. Zo blijven we graag brandbaar materiaal naar de barricades slepen in de eeuwige strijd van het saaie en steriele versus de weidse open vlakten van verzet en plezier -

RUIGOORD

Ruigoord 76 // www.ruigoord.nl

Een idealistisch en idyllisch oord waar kunstenaars aan hun eigen oeuvre werken. Het is echter de nadruk op gezamenlijke projecten die er het karakter van eigentijdse kunstenaarskolonie aan geeft. De menselijke oerbehoeften (uitwisseling, gedeelde ervaringen, expressie en extase) manifesteren zich sterker naarmate het tijdsgewricht egocentrischer en materialistischer lijkt -
